WHO WE ARE

Expert support that responds when schools need it

Aspire Inclusion UK is a team of specialist staff with extensive experience providing bespoke, expert and impactful support to schools, academies, MATs, EYFS settings and local authorities across England.

Our team has a broad range of behaviour-related specialisms to support schools in providing effective outcomes for children, families and staff. Having worked with hundreds of schools for over 10 years, we understand the importance of responding rapidly when support is needed.

1 Outreach Support

Bespoke in-school behaviour support through termly and annual SLA packages, tailored to your school's needs.

2 Face-to-Face Training

CPD and BTEC accredited programmes including Safer Schools, Positive Touch, Complex Trauma and more.

3 Online Training Platform

16 CPD accredited courses for your whole school for £495 per year, or £195 for small schools.

4 Specialist Supply

Trained supply staff supporting children with SEMH and SEND 1-to-1 in mainstream classrooms.

5 Educational Psychology

Experienced EPs offering EHCP reports, ADOS assessments, counselling and training.

TRAINING

Aspire Training

We provide both in-person and online training, all of which is CPD or BTEC accredited. Our in-person training is tailor-made to your school's needs, helping staff understand why children and young people behave in certain ways, how to support them with their emotions, and how to reduce negative behaviours.

Delivered face-to-face at your school, anywhere in England.

Safer Schools Foundation

CPD Certified

A whole-school programme giving staff a consistent approach to reducing escalation and de-escalating conflict situations. Our Lead Trainers are BTEC accredited in Conflict Management and experienced in dealing with conflict in school settings.

More training programmes

Positive Touch

A peer-to-peer massage programme that helps children co-regulate with one another. It uses the body's own responses to promote balance and harmony, and the good feelings help keep students calm, positive, focused and motivated. An inclusive, sustainable model that is easy to introduce and co-ordinate.

Delivery Full day **Cost** £1,395 (up to 20 staff) · £1,595 (up to 30 staff)

Complex Trauma

Helps school staff understand what complex trauma is and how it affects pupils' development. Exploring the neuroscience behind the behaviours of students who have experienced complex trauma gives staff valuable insight into how to support them.

Delivery 2 hours **Cost** £495

Lunchtime Supervisors

Gives lunchtime staff a basic understanding of children's behaviours, especially those with SEMH, and how to support the smooth running of unstructured time, embedding verbal and non-verbal communication into practice.

Delivery 2 hours **Cost** £495
